

# CAN YOU PREDICT?

Read the passages given below and predict what will happen next.

**A** Meredith was listening to music on her headphones and could not hear the people warning her about her untied shoelaces. Meredith kept walking, and then suddenly, she

---

---

**B** Kipper loved dogs, but he did not have a pet. One day, when he was coming back from school, he saw a little puppy who hurt its leg behind a trash can. He looked at the pup and

---

---

**C** Tammy was unhappy with her grades. She started working hard for the final exams. She focused on her classes. When she saw the result of her final exams, she saw that

---

---

**D** Kelly was baking her favorite cookies. She prepared the dough and was rather excited about the finished product. She then placed the tray in the oven but forgot to set the timer. She went to take a nap. When she woke up and went to the kitchen, she saw
