

CIRCLE THE FRAGMENTS!

Read the given passage and circle the sentence fragments that you find.

Finally! Friday arrived. After school, Lily and her friends gathered at her house. Hot pizzas, endless chatter, toppings, and games. They had everything that they needed. Suddenly, the doorbell rang! *Ding-dong!*

The delivery guy arrived with stacks of pizza boxes. Lily's dog, Max, barked loudly with hope. They grabbed slices, avoiding burnt tongues on melted cheese. Pepperoni, mushrooms, and extra cheese on top! Yummy!

Next, Lily's mother surprised them with ice cream sundaes. Delighted, they topped their scoops with chocolate syrup, sprinkles, and whipped cream. Brain freeze alert! The pizzas vanished, and the sundaes disappeared just as quickly. With satisfied stomachs and smiles, Lily and her friends settled in for a movie marathon. The perfect end!
