

CIRCLE THE WORD: AWAY

away

Read the rhyme. Circle the word **away** each time you spot it.

Fly Away, Little Bird!

Fly away, little bird, up to the blue sky,
Wave your tiny wings and soar up so high.
Find your way home, don't get lost or stray,
Find your cozy nest before the end of the
day.

Sing your sweet song as you fly away,
We'll see you again, when the sky turns
grey.
