

# CIRCLE THE WORD: BLUE

blue

Read the rhyme. Circle the word **blue** each time you spot it.

## The Big Blue Balloon

In the bright blue sky, way up high,  
There floats a big blue balloon.  
It dances with clouds, laughing out loud,  
Under the blue moon of June.  
With a bluebird's tune, it'll be noon,  
And we'll wave to the blue balloon.
