

CIRCLE THE WORD: BROWN

brown

Read the rhyme. Circle the word **brown** each time you spot it.

Brown All Around

There's a color in our town,
It's the color of a bear, the color called
brown.
Brown leaves fall from the trees, up and
down,
Brown squirrels scampering around, wearing
a crown.
Look carefully, brown is everywhere to be
found,
From brown puppies playing, to the rich,
brown ground.
