

CIRCLE THE WORD: CAME

came

Read the rhyme. Circle the word **came** each time you spot it.

The Day the Circus Came

One sunny day, the circus came,
With lions and clowns, it wasn't tame.
Down the street, the parade came,
With music and laughter, they staked their
claim.
Oh, what a day, when the circus came,
We played and laughed in the joyous game.
Remember the day, when the circus came.
