

# CIRCLE THE WORD: COME

come

Read the rhyme. Circle the word **come** each time you spot it.

## Come, Little Friends!

Come, come, little friends, let's play,  
In the sunny yard every day.  
Come, see the flowers bloom,  
Come, we can make room.  
Come, let's laugh and hum,  
In our world full of fun, come!
