

CIRCLE THE WORD: DOWN

down

Read the rhyme. Circle the word **down** each time you spot it.

The Downy Duck

Once a duck went to town,

With a happy little frown.

Down, down, down, she danced around,

Feathers fluffing on the ground.

Down she dove into a pond,

Splashing water, making a sound.

Look, she's down! Can you see?

How fun to be a duck, oh gee!
