

CIRCLE THE WORD: GO

go

Read the rhyme. Circle the word **go** each time you spot it.

Let's Go and Play!

Ready, set, let's go!

To the park, in the sun's glow,

We laugh and go run,

Playing tag is such fun!

Go round the merry-go-round, oh so slow,

Then on the swings, we go high then low!

Every day is a joy when we go and play.
