

CIRCLE THE WORD: HE

he

Read the rhyme. Circle the word **he** each time you spot it.

He, the Sky Painter

He is the sun, bright and cheery,

He paints the sky, never weary.

In the morning, he's a soft glow,

At noon, he stands like a proud bow.

At night, he sleeps, oh, where does he
go?

Look for "he" and let me know!
