

CIRCLE THE WORD: LOOK

look

Read the rhyme. Circle the word **look** each time you spot it.

Look! It's the Zoo!

When you take a look at the zoo,

So many animals to view.

Look, a lion with a mighty roar,

Look, a monkey, a zebra, a giraffe and a
boar.

Look up, look down, look all around,

So much to see, just look what we found!
