

CIRCLE THE WORD: MAKE

make

Read the rhyme. Circle the word **make** each time you spot it.

Make It Now!

Let's make a cake, so yummy and great,
We'll make a tower, as high as a gate.
Make a funny face, with eyes so wide,
Make a paper plane, for a fun-filled ride.
We'll make a wish, under the night's cape,
Together, let's make each day an adventure
to shape!
