

CIRCLE THE WORD: NEW

new

Read the rhyme. Circle the word **new** each time you spot it.

The New Day

Every morning, when I wake,

I see a new day, for me to take.

New shoes to wear, a new game to play,

New friends to meet along the way.

In every new moment, in every new view,

There's a world full of wonder, that's fresh
and new.
