

CIRCLE THE WORD: NO

no

Read the rhyme. Circle the word **no** each time you spot it.

The Little Word “No”

In the land of Yes and Maybe so,
Lives a little word called No.
No won't jump, and No won't run,
No just likes to have some fun.
When the sun is high and bright,
No says, "Not now, it's too bright!"
So remember, in the land of Yes and Maybe
so,
There's a special spot for the little word No.
