

CIRCLE THE WORD: NOT

not

Read the rhyme. Circle the word **not** each time you spot it.

The Knot That's Not

In a pot that's not so hot,
Grew a tiny little dot.
It's not a spot, it's not a jot,
It's a knot, believe it or not!

It's not a lot, it's not a tot,
Just a knot that's not, oh, what a plot!
