

# CIRCLE THE WORD: NOW

now

Read the rhyme. Circle the word **now** each time you spot it.

## Now Is the Time!

"Now is the time to play and bow,  
So spin around. Now take a bow!  
See the sun, say "Wow!"  
It's high in the sky now!  
Under the tree we dance, and how!  
The time to be thankful is now.  
So let's have fun! Now, now, you know how.
