

CIRCLE THE WORD: OF

of

Read the rhyme. Circle the word **of** each time you spot it.

The World of Fun

In the kingdom of smiles and the sun,
Where the day of play is never done.
A land of songs and trees so high,
Underneath the canvas of the sky.

A place of dreams, of joy, of fun,
Where the heart of adventure is never
done.

A world of love, of laughter, of life,
In the kingdom of smiles, free from strife.
