

# CIRCLE THE WORD: ONE

one

Read the rhyme. Circle the word **one** each time you spot it.

## The Fun of One

Once upon a time, there was one sun,  
One moon, one star, having fun.  
One frog on a log, under the sun,  
One bird, one song, the day begun.  
Look, one tree with one ripe plum,  
Isn't it fun, the number one?
