

CIRCLE THE WORD: OUR

our

Read the rhyme. Circle the word **our** each time you spot it.

Our Little World

In our world, we laugh and play,
Sharing our toys every day.
Our teacher reads while we sit,
In our room where we knit.
Our hearts leap with joy so pure,
Love is what makes our world secure.
Look around, in every corner, it's found,
Our happiness in each sound.
