

# CIRCLE THE WORD: PLAY

play

Read the rhyme. Circle the word **play** each time you spot it.

## A Day to Play

In the bright sun, we love to play,  
With our toys, in the light of day.  
Jump, skip, run, or sway,  
Fun is always in our play.  
When night falls, we end our day,  
Dreaming of when we'll next play.
