

CIRCLE THE WORD: PLEASE

please

Read the rhyme. Circle the word **please** each time you spot it.

The Magic Word

Sailing on the high seas,

Came a word named "Please."

"Please," said the sun, "Let's begin a new day."

"Please," whispered the wind, "Let's go and play."

"Please," sang the stream, "Join my dance around the trees."

In our kind, happy world, don't forget to say "Please."
