

CIRCLE THE WORD: PRETTY

pretty

Read the rhyme. Circle the word **pretty** each time you spot it.

Pretty Little Things

In a pretty little garden, under a pretty big tree,

Lived a pretty little butterfly, as happy as can be.

She danced on pretty flowers, in the warm, pretty light,

Her wings were full of colors, what a pretty sight!

So remember the pretty butterfly, as you play and run,

In our world full of pretty things, under the lovely sun.
