

# CIRCLE THE WORD: RIDE

ride

Read the rhyme. Circle the word **ride** each time you spot it.

## The Fun Little Ride

Hop on the swing, let's take a ride,  
Up to the sky, where birds reside.  
On my bike, I ride with pride,  
Through the park, far and wide.  
Ride, ride, ride all day,  
In the sun, let's laugh and play.  
Remember, we ride, we don't hide,  
On our fun, little, joyous ride.
