

# CIRCLE THE WORD: SAID

said

Read the rhyme. Circle the word **said** each time you spot it.

## What Did the Animals Say?

In the park, the duck said "quack,"

On the tree, a bird said "tweet,"

Down the path, a cat said "meow,"

In the barn, a cow said "moo."

Everywhere I went, I heard,

What each friend said, each little bird.

Now you tell me, what they said,

Let's recall it, word by word.
