

CIRCLE THE WORD: SAW

SAW

Read the rhyme. Circle the word **saw** each time you spot it.

I Wonder What They Saw

In the bright, bright forest, Bunny saw a paw,

Under the big, green leaf, Turtle saw a claw.

On the tall, tall tree, Squirrel saw a straw,

By the cool, cool pond, Duckling saw a jaw.

Look around, dear friends, tell me what you saw,

In our lovely, lively forest, full of awe.
