

CIRCLE THE WORD: THAT

that

Read the rhyme. Circle the word **that** each time you spot it.

The Cat and the Hat

Look at the cat, isn't it fat?

It sits on a mat, next to a hat.

"That hat," said the cat, "is not for a rat."

"That hat," said the cat, "is just right for a cat."

"That hat," said the cat, "makes me feel like a bat."

So the fat cat sat, enjoying the hat.
