

# CIRCLE THE WORD: THEM

them

Read the rhyme. Circle the word **them** each time you spot it.

## Happy Helpers

Five little ducks went out to roam,  
With them their joy was shown.  
Over the hills, under the sun,  
With them, their fun had just begun.  
They met a frog, shared with him their  
bread,  
Look at them! Full of love, the frog said.  
Oh, the stories of them, we could pen,  
How we love them, our little duck friends!
