

# CIRCLE THE WORD: THERE

there

Read the rhyme. Circle the word **there** each time you spot it.

## Up There!

There, there, in the sky so fair,  
See the birds flying there.  
Over there, by the big, green tree,  
Can you spot a bumblebee?  
Look there, where the river flows,  
That's where the cool wind blows.  
There, there, everywhere,  
Fun and joy is what we share!
