

CIRCLE THE WORD: TWO

two

Read the rhyme. Circle the word **two** each time you spot it.

Two by Two

One, two, one, two,
See the birds, they fly in two.
Blue sky, a tree, and a kangaroo,
Jumping around, always in two.

Two small fish in a sea so blue,
In this bright world, full of two.
All in pairs, just like my shoes,
Isn't it fun, this world of two?
