

# CIRCLE THE WORD: WATER

water

Read the rhyme. Circle the word **water** each time you spot it.

## Wiggly Water Wonders!

In the morning, we water the flowers,  
Under the sun, they gain superpowers.  
Water in the pond, with duckies afloat,  
Water in our bottle, on our little boat.  
We love to splash in the water so blue,  
Water, water, we enjoy you!
