

CIRCLE THE WORD: WE

we

Read the rhyme. Circle the word **we** each time you spot it.

We, The Happy Bees!

We are little bees, buzzing in glee,
In a world so wide, as far as we can see.
We gather honey, from blossoms on a tree,
Together we work, so happy are we.
We play and laugh, in fields so free,
Because together, forever, we always will
be.
