

CIRCLE THE WORD: YELLOW

yellow

Read the rhyme. Circle the word **yellow** each time you spot it.

The Yellow Play Day

In the morning, the sun shines yellow,
On the fields, so wide and mellow.
We see a yellow butterfly,
Fluttering high in the sky.

Yellow daisies in the meadow,
And a duckling's yellow shadow.
Spot the joy, spot the glow,
In our world that's bright and yellow!
