

CIRCLE THE WORD: YES

yes

Read the rhyme. Circle the word **yes** each time you spot it.

Oh, Yes!

In a land where trees say "Yes, we sway,"

And sun smiles "Yes, it's a bright day."

"Yes, we buzz," hum the happy bees,

"Yes, we float," sing the playful leaves.

"Yes, we twirl," say the flowers in delight,

"Yes, indeed!" echoes the moon at night.

In this fun world, where every "Yes" brings
glee,

Spot the "Yes" and as happy as them, you'll
be!
