

LET'S COMPARE AND CONTRAST!

Read the following passages and answer the questions that follow.

I went to a big cliff by the sea, and it was amazing! The air tasted salty, and I stood on the edge, watching huge waves crash into the rocks. The sun went down, and the sky turned all kinds of pretty colors like orange and pink. It was like a magical show of nature, and I felt really happy and small compared to the big, beautiful world.

My friend Sarah told me about her cool trip to a cliff near the ocean. She said it was awesome! Sarah stood on the edge and felt the salty air on her face. Big waves made loud splashes on the rocks, and the sunset painted the sky in pretty colors. Even though I wasn't there, listening to her made me feel like I could see everything too. Nature is so cool!
