

WHAT'S THE CONTEXT?

Identify the meaning of the underlined nonsensical word using the clues from the context. Look out for the prefixes and suffixes!

The doctor advised Betsy to swim every day. It would be rinpful in her recovery.

Betsy's trainer told her that she was *learning* fast. She was indeed a quick nabeo.

Betsy had no *fear* of water. She was a fasopless swimmer.

But *safety* was important, so she would only swim with her trainer. It was ungipee to swim alone.

Betsy wore her zonbeeks in the pool so she could open her eyes underwater.
