

# CIRCLE THE WORD: FROM

from

Read the rhyme. Circle the word **from** each time you spot it.

## The Journey from Here to There!

From the sun up high, to the roots down deep,

From the roaring lion, to the sheep that leap.

From the morning's start, to the evening's end,

Off we go, right around the bend.

From the tallest mountain, to the deepest sea,

Oh, the places we can go, from A to Z!
