

CIRCLE THE WORD: GET

get

Read the rhyme. Circle the word **get** each time you spot it.

Get, Set, Go!

Get ready, little friend, it's time to play,
Set your smile bright, for a sunny day.
We'll run here and jump there, to and fro,
Are you ready? Get, set, go!

Bring your teddy bear, give it a squeeze,
Set up a picnic, under the trees.
With games and laughter, our faces all
aglow,
Here we go. Let's enjoy and grow!
