

FIND THE WORD: HERE

here

Read the rhyme. Circle the word **here** each time you spot it.

Here, There, Everywhere

Here in the park, we love to play.

Here under the sun, on a bright, new day.

Look, here is a duck, here is a tree,

Here is a squirrel, as happy as can be!

Here we laugh, here we cheer,

Here we make memories, all through the year!
