

CIRCLE THE WORD: SMALL

small

Read the rhyme. Circle the word **small** each time you spot it.

The Small Things

In a small town lived a big cat,
And all day long, she chased a small rat.
All evening, she stayed in and bounced a small
ball
And at night, she cuddled with her small and
pretty doll.
When she finally caught the rat one day,
She found her new target—a small blue jay!
