

FIND THE WORD: AND

and

Read the rhyme. Circle the word **and** each time you spot it.

Fun With And

In the land of sand and sea,

Fish and birds live in glee.

The sun and the moon take turns to shine,

In this world of yours and mine.

Hand in hand, we skip and hop,

And our fun will never stop!

So come along and join the band,

In our magical and marvelous land.
