

# FIND THE WORD: EAT

eat

Read the rhyme. Circle the word **eat** each time you spot it.

## Let's Eat!

At breakfast time, I eat my toast,  
With some jam, I eat the most.  
Lunch arrives; I eat my pie,  
With a glass of milk, oh my!  
Dinner's here, I eat my rice,  
Veggies and chicken, oh so nice!  
Snack time too, I eat a treat,  
Every time I eat, life feels so sweet!
