

FIND THE WORD: LIKE

like

Read the rhyme. Circle the word **like** each time you spot it.

I like to!

I like to play on bright sunny days,
With a kite that sways,
like a dancer between the sun's rays.
I like to see birds take flight,
Like a star twinkling at night.
So many things to like, it's true,
Most of all, I like spending time with you!
