

# FIND THE WORD: MY

my

Read the rhyme. Circle the word **my** each time you spot it.

## My Little World

In my small hand, a shiny toy,  
My fluffy puppy, my greatest joy.  
My little shoes go tap and slide,  
In my big garden, where I love to hide.  
My red ball bounces high and free,  
In my little world, happy as can be.
