

# FIND THE WORD: SHE

she

Read the rhyme. Circle the word **she** each time you spot it.

## She Is Happy!

She has a hat that's big and red,

Wears it tilted on her head.

She likes to dance, she likes to play,

With her friends, every day.

When it rains, she jumps in puddles,

Giggling at the splashy muddles.

She loves the sun, she loves the tree,

Happy as anyone can be!
