

# FIND THE WORD: THEY

they

Read the rhyme. Circle the word **they** each time you spot it.

## In the Day

They run, they play, on a bright sunny day,  
Up the hills, they roam, in their magical way.  
In the green park, they sing, they sway,  
Oh, they love their fantastic play-day.  
Watch them laugh, watch them play,  
Spot the word “they” in this merry array!
