

FINDING THE CENTRAL MESSAGE

1. Tick the correct option to select the central message of each paragraph.

1. Every morning, Maria woke up early to tend to her garden. She planted seeds, watered the plants, and watched them grow. Over time, her garden blossomed with vibrant colors and delicious fruit. Maria learned that, with care and dedication, beautiful things can flourish.

- a) Gardens are always messy.
- b) Neglecting plants is good for them.
- c) Care and dedication leads to the growth of beautiful things.

2. Alex practiced the piano for hours every day. Even when it seemed challenging, Alex didn't give up. Finally, the day of the recital arrived. As Alex played, the music flowed beautifully, and everyone in the audience was amazed.

- a) Playing the piano is easy.
- b) Hard work and dedication leads to success.
- c) Alex didn't like music.

3. In the jungle, all animals work together to keep the environment clean. They pick up trash and recycle it to make their home a better place.

- a) Animals don't care about the environment.
- b) Working together can make the environment better.
- c) The jungle is a dirty place.
