

FIX THE FRAGMENTS

A Circle the sentence fragments in the box below.

Alice ran across the field after the funky rabbit and was just in time to see it pop down a large rabbit hole. Under the hedge. In another moment. Alice went down after it and did not even consider how in the world she was going to get out. Again. The rabbit hole went straight on like a tunnel for some time and then suddenly dipped down. It was so sudden that Alice had not had a moment to think about stopping herself. Soon. She found herself falling down what seemed to be a very deep well.

B Rewrite the following fragments as complete sentences:
