

LET'S GO ON A HIKE!

Read the poem. Underline the prepositions.

Let's go on a hike! One-two
Over the rock, with my crew.

Around the tree, three-four
I think I heard a lion roar.

Through the leaves, five-six
Our shoes stomp over the sticks.

We come to a river, seven-eight
We can't go through and must wait.

We find a log, nine-ten
And over the river to go again.
