

LET'S WRITE A REBUS STORY

Change the story into a rebus by replacing the suitable words with pictures, numbers, or colors. You can use the stickers given below.

Once upon a time, there was a cat named Whiskers who lived in a house with a big red door. Every morning, Whiskers would climb up a tall tree to catch a bright yellow bird for breakfast. One day, a playful dog named Rocky joined Whiskers on his tree-climbing adventure, and they became the best of friends.
