

WHAT'S YOUR DREAM JOB?

Instructions:

1. What do you want to be when you grow up?
2. Think about what you're good at and what you enjoy doing. Making a choice right now is not necessary. Thinking of the possibilities, though, can teach you more about who you are and what interests you.
3. Is your dream job one that already exists, or is it one that no one else has thought of yet?
4. Write about it, draw it, or interview someone who has the job you want.
5. You can use the sample interview questions given on the next page to conduct the interview.

LET'S INTERVIEW

- 1 When did you decide to become a teacher/doctor/astronaut/chef/painter/dancer/helper/singer, etc.?
- 2 Who is your role model?
- 3 Have you watched a movie or TV show in which you saw someone play this role?
- 4 How did you get this job?
- 5 What are your strengths and weaknesses?
